NEW AND VALUABLE SCHOOL BOOK!

THE attention of School Committees, Teachers and Parents is invited to the examination of ho "JUNENILS READER," a selection of easy Reading Lessons, by a Teacher, a new edition of which, ed and corrected, we have just published. It tershams ; Southers, a great variety. s believed that the book is one which has been vey much wanted in our common schools, and indeed it was compiled at the request of many of our best Teachers. The compller is a gentleman of known abidition and tong experience in his profession: The pieces in this book, are chiefly sefected from popular works designed for youth, and it is believed, will have a healthy moral juffurgee in those schools si which it is adopted. The book comes at a very low price and has been adopted in a great many. Schools with decided approhation, and having been stereotyped, is free from the danger of having any alterations made in it, which is the greatest froulde with all school books.

LEGETARLE PULMONARY BAL.

SAM. The following recommendation is from Dr. Jacob Myers: Extract of a letter from Dr Jacob Myers.

The Vegetable Pulmonery Balsam has been sold in this country for two years, and the medicine has guined an uncommon celebrity for it scarcely in one mistance failed of having the desired effect I am by no means in favor of the many nostrums, of which are impositions upon a credulous public, but that which I know by experience to be efectual, I cannot help but give my approhation thereto. A counterfeit preparation has been offered here by a travelling agent of Counteret, N. Y., and there is also author article venden here that is strongly suspected to be spurious.
